Resene News Submissions SIDE TWO

Unique aspects - colour, application, history, service, size?

Any other comments, useful sources of information?

Attach 2-3 photographs (or more is available) and send to:

Resene Paints, PO Box 38242, Wgtn Mail Centre, New Zealand, Attn: Marketing Manager

ALL projects submitted will be added to our Website Product in Action section provided they are finished in mainly Resene paints. A selection of projects will also feature in the Resene News.

- *If you provide website addresses, we will provide a link from our Website Product in Action page.
- You do not need to get a professional photographer to take the photos. Using a standard camera, make sure the building/structure is in focus. Avoid taking photographs in the middle of the day as you may have problems with the sun and harsh shadows.
